

Alphabet Chant

How to support your child with learning the Alphabet at home

FFT Success for All's Alphabet Chant is an interactive rhyme used at the start of children's reading journey to help them learn the names of the alphabet. Children become confident with the alphabet by saying the chant and using accompanying actions.

We have put this short guide so all the family can join in!

Learn the Alphabet together using this video link:

We hope you have fun!

Please note, that the Alphabet Chant is not the order in which children learn the phonic code for reading. Please see <https://parents.fft.org.uk> for further information.
